### ABOUT FLEMING'S:

**Fleming's Prime Steakhouse & Wine Bar** is the ultimate steakhouse destination for food and wine lovers seeking a stylish, lively and memorable dining experience. Nationally renowned for its Prime beef and steakhouse fare, **Fleming's** is equally celebrated for the **Fleming's 100™**, its award-winning wine program that features 100 wines by-the-glass.

**Fleming's** was founded on the premise that a steakhouse can be sophisticated yet comfortable and not overpriced. **Fleming's** offers an engaging ambiance and lively environment, where one can enjoy great food and a broad selection of fine wine, which is further complemented by attentive and knowledgeable service.

### CUISINE:

**Fleming's Prime Steakhouse & Wine Bar** has a talented Chef Partner at each location and features USDA Prime corn-fed beef, aged to perfection for flavor and texture. The restaurant offers a wide selection of sizes and cuts, ranging from Petite Filet Mignon to Prime Bone-In Ribeye. All steaks are broiled at 1600 degrees to seal in the beef's natural juices and flavors.

While Prime beef reigns supreme at **Fleming's Prime Steakhouse & Wine Bar**, other flavorful dishes offered include daily-featured selections of fresh seafood, fresh salads, delicious appetizer selections, and a selection of innovative steakhouse Small Plates. The restaurant serves fresh sides family-style—among the selections are four different potato preparations. Tempting desserts made from scratch every day, all served tableside with Chantilly cream, include the Chocolate Lava Cake and Crème Brûlée.

### WINE PROGRAM:

The **Fleming's 100** is truly a point of differentiation and an integral part of the dining experience at **Fleming's Prime Steakhouse & Wine Bar**. Each year, Director of Wine Maeve Pesquera selects a majority of the wines to appear on **Fleming's** wine lists throughout the country. The other wines on the list are selected in conjunction with the local Wine Managers to reflect regional tastes. This year's collection of 100 wines by the glass showcases the most innovative, cutting-edge wines from iconic and classic wineries. From small-yield, sustainable and biodynamic farming to the latest in canopy management and hand-harvesting and sorting, these wines are leading the industry into a new age of winemaking. Special 2-ounce "wine tasting" pours are offered as wine flights to assist diners in finding the perfect wine to complement their culinary choice.

### BAR MENU:

**Fleming's** has also introduced a new way to make a memorable start to the evening with their "5 for 6 'til 7" bar menu. The menu offers 5 premium cocktails, 5 award-winning wines by the glass, and 5 signature appetizers—all priced at \$6 each—a stellar value, all available until 7 p.m., 7 nights a week except where prohibited by law. Selections on the "5 for 6 'til 7" bar menu change with each season. Hours and offerings are subject to change in compliance with local or state liquor laws.

**Fleming's** continues to set the standard in steakhouse dining with the introduction of its **Bar la Carte Menu**. Served exclusively in the bar, the menu offers Fleming's guests six satisfying dishes available any time, any evening. More substantial than appetizers or the typical "bar bites" found at many restaurants, the addition of this Bar la Carte menu makes **Fleming's** bar as much a destination for food as it is for wine and cocktails.
