Fleming's Memorable Meals
Filet and Lobster Tail for Two Returns – \$99
Guests Can Enjoy Special Pairing Through March 31

Newport Beach, California, March 2010 – Fleming's pairing of Filet Mignon and Australian Lobster Tail for Two returns for a limited time as part of its Memorable Meal series. Now through March 31 guests can dine on two 6-ounce Filets, two Australian Lobster Tails, two servings of Lobster Bisque, French Green Beans, and Warm Pear and Blueberry Tart for \$99. The meal can also be ordered individually for \$49.50.

Created by Executive Chef Russell Skall, Fleming's Memorable Meals bring back favorite dining experiences – the ones that capture the place, the time, the flavors and the people you share them with.

"Good memories come from pleasant surprises," says Chef Skall, "which was my inspiration for this season's Memorable Meal. The sweet and light texture of the Australian lobster is more delicate than the Maine variety found in most restaurants this time of year. I like to pair it with a tender filet mignon to surprise my guests with a new variation on the traditional surf and turf."

Another unexpected pleasure is the price of this Memorable Meal. For most, a juicy filet and luscious lobster tail is an iconic symbol of luxury. Fleming's Filet Mignon and Lobster Tail Dinner for Two is available for only \$99*. It can also be ordered for one at \$49.95. This Memorable Meal is not on Fleming's regular menu and available to Friends of Fleming's who either make a reservation [online](#) or mention the "Memorable Meal" when making a reservation by phone.

*Does not include tax or gratuity. Memorable Meals are not on our regular menu and are available only from 2/16/10 through 3/31/10 at all Fleming's restaurants.
