Filet Mignon & Shrimp Scampi Dinner for Two, \$89

***Fleming's Prime Steakhouse & Wine Bar
Introduces Its Newest "Memorable Meal"***

Newport Beach, California, February 16, 2009 – Fleming's Prime Steakhouse & Wine Bar has introduced its newest "Memorable Meal" offering -- **Filet Mignon & Shrimp Scampi Dinner for Two** -- available February 16 through March 31.

"Our series of inspired creations, known as 'Memorable Meals', is part of our ongoing celebration of exceptional food and wine and our dedication to turning an evening at Fleming's into an unforgettable experience," says Fleming's Executive Chef Russell Skall.

This Memorable Meal includes two Filets Mignons, Roasted Tomato & Fresh Basil Shrimp Scampi, Chopped Wedge Salad, Fleming's Potatoes, Sugar Snap Peas, and Chocolate Mousse with Hazelnut Bark – a complete dinner for two for \$89*. For added luxury at an exceptional value, guests can enjoy two Australian Lobster Tails instead of Shrimp Scampi for an additional \$10 (\$99* for two.)

"The pairing reminds me of my trips to Italy—experiences I try to share through the language of cooking," remembers Skall. "Of course in my version, there's steak. To me, scampi makes an ideal partner for perfectly seared, slightly charred filet mignon. It's a combination of flavors, textures and colors that culinary memories are made of."

This Memorable Meal is available for a limited time at all **Fleming's Prime Steakhouse & Wine Bar** restaurants. For locations nationwide or to make a reservation, please visit www.FlemingsSteakhouse.com.
