Filet Mignon & Lobster for Two

Fleming's Prime Steakhouse & Wine Bar

Creates a Memorable Meal at a Memorable Price of \$99

Newport Beach, California, September 2, 2008 – Some meals you will remember forever. The ones that capture the place, the time, the flavors and the people you share them with. *Fleming's Prime Steakhouse & Wine Bar* is bringing back your favorite dining experiences with its Memorable Meals series. Its first offering is a classic pairing that has evoked the epitome of success throughout the decades.

No matter what your generation, a juicy filet mignon and a luscious lobster tail has always been a symbol of luxury. Fleming's **Filet Mignon & Lobster Tail Dinner for Two** is the lavish meal we remember, without the lavish price. The dinner includes two six-ounce Filets, two Australian Lobster Tails, two Chopped Wedge Salads, Fleming's Potatoes, Sugar Snap Peas, and two Chocolate Mousse with Hazelnut Bark for \$99.

This pairing was inspired by a childhood memory from Fleming's executive chef Russell Skall.

"My parents had a restaurant in Appleton, Wisconsin and my dad would often cook steaks for my brother and me," remembers Skall. "Every once in a while, we would sneak off with a lobster, hide in the back of the kitchen and have our own little secret feast!"
